

## NOTLEY FAMILY OF SCHOOLS

John Ray Infant School, John Ray Junior School, Notley High School, Notley Green Primary School, Rayne Primary School, Terling Primary School, White Court Primary School, White Notley Primary School

### Notley Family of Schools (NFOS): Information for Parents

The Notley Family of Schools partnership consists of the 8 schools above.

This group of schools has been working together for some time. In 2015 the group was successful in becoming a school-to-school led improvement partnership. The group are now working to bring about school improvement within a collaborative package of support, including;

- Regular meetings of Head Teachers
- Teams of heads and senior leaders visit each school to conduct peer reviews
- Groups of staff meeting together to discuss identified priorities
- Sharing teaching and leading expertise across the family of schools
- Subsidised training and school development programmes
- A governance board to oversee the work of the group

NFOS is ambitious about the achievements they hope to accomplish together. Excellent schools bring parents together with partner agencies to discuss common areas of interest or needs. In the future it is hoped that NFOS parents will benefit from this kind of support.
