

Sports Premium

In April 2013, the Department for Education, Health and Culture, Media and Sport announced new funding of £150 million to support the delivery of PE and school sport. Funding is being allocated to all state-maintained secondary, primary, middle and special schools (including non-maintained special schools), academies and pupil referral units with primary aged pupils for the period September 2013 to 31st August 2014 and from 1st September 2014 to 31st August 2015. Our school will be receiving £11,000 in two instalments.

We are using our Sport Premium to improve the quality of PE and Sport provision in the following ways:

- Providing staff with outside courses and in-house training to improve their competence and confidence when teaching PE.
- Joining the Braintree Hub. This has meant that White Court have had more opportunities to take part in outside sporting competitions including, Cross Country and Korf Ball. It has also provided us links to Notley High School and resulted in us receiving specialist PE sessions with trained coaches.
- Purchasing new sports equipment for the introduction of new sports games, including Dodge Ball.
- Purchasing new visual aids to support our PE lessons.
- More sports equipment for use during playtimes.
- Buying new PE clothing for children who take part in wider sports competitions.
- Purchasing sports clothing for all teachers to wear in PE lessons so they can set a good example to all children, for safety and to show good practice in lessons.
- Buying new equipment to use as part of the new KS1 Sports Day system.
- Active Kids Club for selected children before school starts in the morning.
- New PE journals to be used as an assessment and evidence system for teachers.
- Sports Week (to take place in Summer Term). Involving outside companies, such as DNA Bootcamp to come into school to teach and involve the children in various PE activities.
