White Court Primary School

Dear Colleagues

I was very pleased to receive the report of the recent inspection at your school which judged your school as good overall.

The report is clear that the school has much strength which includes:

- The strong leadership which has led to the improvement in the quality of teaching and accuracy of assessment.
- The impact of your decisive leadership which is seen in the good and sometimes better progress being made by many pupils currently in school.
- The enriched curriculum which is led by enthusiastic year and subject leaders and is firing pupils' enthusiasm for learning.
- Pupils who have positive attitudes and enthusiasm for their education.
- Teachers who are well practised in delivering the skills and knowledge pupils need to make rapid progress.

The report is also clear that you know what needs addressing and are taking the steps to do this. We know that such a report is the outcome of huge amount of dedication and hard work by staff, and from careful oversight by governors who give freely of their time and energy.

All the very best to you and your school community as you reflect on all the very positive comments in the report, and also as you move on to the next stages in the school's work on your journey to outstanding.

Very best wishes in the important work you do.

Yours sincerely

Clare Kershaw
